The image shows a mobile-responsive web form for reporting a bug. The form is contained within a light gray container. At the top, there is a header bar with a hamburger menu icon on the left and the text "Home Quick Help" on the right. Below the header, the form is titled "Bug Report" in a dark gray box. The form fields are as follows:

- Title \***: A text input field with the placeholder text "Title".
- Description**: A large text area for the user to describe the bug.
- Operating System**: A dropdown menu with "Windows" selected.
- Product**: A dropdown menu with "Formoid" selected.
- Verification \***: A text input field with the placeholder text "Verification".
- License:**: Two radio buttons labeled "Free" and "Business".
- Security \***: A dropdown menu with "Critical" selected.
- Attachments \***: A section with a "Choose file" button and a "Browse" button.
- Send**: A green button at the bottom right of the form.
